

Environmental
Business Association
OF NEW YORK STATE, INC.

The Environmental Business Association of New York State, Inc. (EBA/NYS) is the 501 (c) (6) not for profit trade association that is working to promote the business goals of companies that manufacture, sell, install, and also consult on Environmental and Energy related products and services in New York State. For 10 Years, we have been working with the business community to promote economic growth and environmental preservation.

The EBA/NYS Member companies, our internal staff, and nine Task Forces work to serve the business development and environmental lobbying needs of our members. We receive direction from our Board of Directors, which is comprised of the following professionals:
